

Circulation:

Prairie Grains Magazine has a well-defined circulation of over 20,250 of the top small grains growers in Minnesota, the Dakotas and Montana. If you need to target your message to decision makers in small grains production, Prairie Grains Magazine is the place to do it. Prairie Grains Magazine is circulated to members of the Minnesota Association of Wheat

Growers, Montana Grain Growers Association, North Dakota Grain Growers Association, South Dakota Wheat, Inc. and Minnesota Barley Growers Association as well as non-member growers who produce 250 acres or more of spring wheat and barley in North Dakota and Minnesota. Upper-level members of the Montana Grain Growers Association receive Prairie Grains.

Our list is continually updated with data from grower associations, county data from the Farm Service Agency and many other sources to be sure we're landing in the mailboxes of your target audience. Prairie Grains reaches the growers you need to succeed with credible, pertinent information in a package designed for farmers, by farmers.

Ask about Prairie Grains readership surveys for full details.
