

Minnesota Wheat Research and Promotion Council

CROP YEAR 2018 RESEARCH PRE-PROPOSAL FORM
Due by 12:00 p.m. / November 22, 2017

Note: Pre-proposals are different from a full proposal, in that the pre-proposal does not require being processed through university/organization sponsored programs, or granting/budgeting. If a full proposal is requested of the project after a presentation has been made to the Research Committee, then the normal channels for a proposal must be gone through.

Project Title:

Principal Investigator(s):

Contact Information (email and primary phone number):

Project Period: January 1, 2018 – December 31, 2018

Requested Amount: \$

Explain the importance of the proposed project to the productivity of wheat production:

Describe the background for your proposed research or educational project:

Provide a brief outline of a potential research design and its procedures:

Outline the timeline for completion:

Estimate the budget requirements:

List current or potential other funding sources for this project:

List potential collaborators or co-investigators you may consider inviting to participate:

What methods, if any, will be used to disseminate your research findings out to the greater public, beyond the final report due to Minnesota Wheat Research and Promotion Council:

Reference other research related to this proposed project:
